

ANNOUNCEMENT

We are happy to announce that Department of Veterinary Pharmacology and Toxicology, College of Veterinary Science and Animal Husbandry, Anand Agricultural University, Anand, Gujarat will organize XVIII Annual conference of Indian Veterinary Society of Veterinary Pharmacology and Toxicology (ISVPT-2018) and National Symposium on "One Health: Veterinary Pharmacology and Toxicology Approaches" during 5-7 December, 2018. A one day pre-conference workshop has been organized on "*in-vitro* and *in-vivo* ADME" on 4th December, 2018 in collaboration with Prerna Bio-Innovations Research Pvt. Ltd., Gandhinagar, Gujarat. Objectives of this workshop are to provide hands on experience regarding techniques used in *in-vitro* and *in-vivo* ADME. Young teachers and students pursuing Ph.D. / M.V.Sc. in the discipline of Veterinary Pharmacology & Toxicology are invited to participate in the workshop.

COURSE CONTENT

This workshop is designed to cover basics of *in vitro* and *in vivo* ADME studies and its importance in drug discovery and development. The workshop comprises of lectures and hands on training to the participants on ADME tools like Physicochemical screening, Plasma stability, Plasma protein binding/Permeability, Metabolism, Single/Multiple dose Pharmacokinetic and PK/PD relationship studies in rodents and non-rodents.

ELIGIBILITY

A graduate of Veterinary Science either working as Assistant Professor or pursuing Ph.D. or M.V.Sc. (Second Year) in subject Veterinary Pharmacology & Toxicology is eligible to apply. If requires, candidates from life sciences will be accommodated.

HOW TO APPLY

Step-1: Participants are requested to fill in the application form.

Step-2: Application is to be signed and endorsed by Department/Institute head.

Step-3: Send application (soft / hard copy) to workshop coordinator latest by **30th September, 2018**. Applications will be screened and selected candidates will be informed, thereafter the candidates will have to send registration fee.
